

March 4, 2021

Dear Friends,

We regret to announce that Sue Kiley has left her position as Executive Director of the BRLD. Sue arrived moments before we entered the pandemic era and we are grateful for her service during a difficult year. Please join me in wishing Sue well in her future endeavors.

On Monday, March 8, the Basalt Regional Library will re-open its doors for limited browsing. In response to the public health directives from Eagle and Pitkin counties, masks must be worn at all times and social distancing will be expected. The main library room including New Books, DVDs, CDs, magazines and reference materials, as well as the Youth Services Department, are all open for browsing. Computers will be available for one-hour time frames.

On behalf of the staff and board of the BRLD, welcome back to the Library!

Sincerely,

Barbara Milnor
Interim Director
