 - (3) Key Personnel: BRLD prefers a single account relationship manager. In the vendor's proposal, list names, titles and locations of the primary and backup employees who will be assigned to BRLD's account. Also include certifications, education, experience and qualifications of personnel. The vendor must establish one person to serve as project manager and liaison to the BRLD project manager. Therefore, the vendor must establish a work schedule for all parties to ensure timely completion of the project. In addition to the start and completion of various construction stages, the schedule shall also show percentages of work to be completed at any given time, as well as significant dates that will serve as check points to determine compliance with approved schedule.

 - (5) Competitive Position: Describe what differentiates the vendor's service from that of other competitors. Include in the discussion how the vendor keeps abreast of current and future trends. Discuss the vendor's approach to communication.

- B. Signatures: The proposal must be signed by an officer or person qualified to bind the proposing company.
- C. Withdrawal of Proposal: A Vendor may withdraw its own proposal at any time prior to the proposal due date and time as identified herein. After that date and time, no vendor may withdraw its proposal for any reason. All proposals shall be valid for a period not less than 90 calendar days after the proposal due date.

- D. Substantive Proposals: By submitting a proposal, the vendor guarantees that (1) its proposal is genuine and is not made in the interest of, or on behalf of, any undisclosed person, firm, or corporation; (2) it has not directly or indirectly induced or solicited any other respondent to put in a false or sham bid; (3) it has not solicited or induced any other person, firm, or corporation from proposing; and (d) it has not sought by collusion to obtain for itself any advantage over any other vendor or over BRLD.
